

Donations are the lifeblood of New Hope Center. Translated into services and support, the donations we receive help persons with developmental disabilities to become more independent, gain authority over their own lives, and ultimately improve their quality of life. We rely heavily on donations to aid our efforts to enhance the lives of individuals with developmental disabilities.

The most common donations received at New Hope Center are gifts of cash. Cash donations can be made via US Mail or credit card via our website. Donations can also be planned gifts, such as naming New Hope Center as beneficiary of an insurance policy, IRA, retirement plan or charitable remainder trust.

Additionally, donations can be made in-kind, such as used cell phones, used printer cartridges, old magazines and clothing items. In addition to deducting these donated items from your taxes, you'll be cleaning up your house/garage. Speaking of garages, we'll gladly take running cars and boats off your hands as well!

For those of you who are able to make in-kind donations to New Hope Center, there are a variety of items that are needed in our programs. The "wish list" below contains those items of which we are in greatest need.

Health & Wellness:

Exercise Videos
Yoga or Exercise Mats
